

Sequence logo showing the conservation of nucleotides at each position. The top row shows the most conserved nucleotides: A, G, G, G, A, A, A, G, G, T, C, A. The bottom row shows the least conserved nucleotides: T, C, T, C, A, A, A, G, G, T, C, A. The logo is color-coded: A is green, G is orange, T is red, and C is blue.
